

ΕΡΜΗΣ

THE MESSENGER OF THE GODS

TRADE ΕΜΠΟΡΙΟ

With the wind on his side, he offers speed to the travellers and guides them to the proper direction. For this reason, at the crossroads of the city of Athens there were “hermes”, columns with the bust of Hermes, which functioned as wind vanes and helped the travellers’ orientation!

POETRY ΠΟΙΗΣΗ

MISCHIEF ΠΟΝΗΡΙΑ

Even though he was mischievous and a rogue, Hermes became one of the most loveable gods for the people. He was the one accompanying them in every aspect of their lives!
